

What will you do if your HP DesignJet 500 plotter goes down?

HP has made the DesignJet 500 plotter an end-of-life (eol) product making onsite time & material (T&M) calls harder to find and much more expensive.

Our “Fastest Response” Annual Service Plans can keep your HP DesignJet 500 plotters up and running!

Here's what comes with one of our Annual Service Plans:

- Unlimited onsite service calls
- All parts included*
- Reduced downtime
- Expense predictability

Plans starting as low as **\$595/yr.**

Call us today at **800-MID-COM4** (800-643-2664) and talk to a contract specialist right away. Don't be left with a broken HP DesignJet 500 plotter. Protect your investment with one of our great plans.

**Consumables are not included*
